SPRING CLEANING TIPS FROM CHRISTINE

Use Baking Soda as a scrub--this common household item is .89 cents a box and is a natural deodorizer. Just add water to create a paste or more water for a liquid scrub and store it in a plastic squeeze bottle. You can use this mixture to scrub your tub, your bathroom sink, your toilet, your kitchen sink and pots pans -- anything you would normally use a scouring brush for. Add a few drops of a favorite essential oil like grapefruit for a wonderful fragrance.

Another cleaning tip is--Grind a quarter of a lemon, orange or a grapefruit into

BE ON TV
